## *Hot-Cha-Cha! - ChiChi's Back!*

**C**n inspiring program on the art of entertaining! Boring tablecloths and predictable centerpieces are nowhere in sight when Lynn Chichi shows you how to entertain with style, flair, and most importantly, humor.

Lynn is a professional Interior Decorator and has entertained and inspired many, at some

wonderful organizations including CHOC Hospital, Entertaining by Design at the Laguna Design Center, The Junior League, Harbor Day School, Mission Hospital, National Charity League, and Nordstrom's to name just a few.

It's an hour of wacky fun and fabulously useful information, as Lynn shows you how to use materials like a painter's drop cloth, a potted plant,

and those old wedding gifts you've packed away in the closet, to decorate tables that are sure to impress your friends and astound your family.

She's irreverent, audacious, and she will add a whole new dimension to your ideas about entertaining. She is a talented designer as well as a trained standup comic.

**The November Plant Table Revenue was a noteworthy \$123**

**Christmas type plants and décor are good sellers this month**
